Reunion Plans Going Full Steam Ahead!

Don't miss the fun; act now!

Our hosts, John Paul Thrasher, Grady Thrasher, and Celestea Sharp are looking forward to welcoming the members of the Thrasher Family Association and their guests to the Clarke-Oconee County area.

The Reunion hotel, the Athens Holiday Inn (197 E. Broad Street), is located adjacent to the University of Georgia campus in downtown Athens. There is a block of rooms reserved for Friday and Saturday for the Thrasher Family Association Reunion (THR/Reunion). Since the other weekend deadlines are April 19, John Paul worked with the Holiday Inn to extend the reservation deadline an extra week – new date is April 19. The Athens Holiday Inn phone number is 706-549-4433.

Friday night we plan to gather in the Athena Room by 6 p.m. and proceed from there to our dinner location. Dinner will be catered and will be held on the University of Georgia Campus, which is across the street from the hotel. Plans call for the dinner to be set up near Old College, which is the oldest building on campus. Cost for the dinner will be \$20 per person, and needs to be paid in advance. After dinner those that wish may gather in the Athena room for conversation and hospitality.

Saturday morning a tour is planned of several cemeteries, the Salem Methodist Church and some Thrasher historic homes. The host committee is arranging group transportation for the tour (John Paul will be the narrator/tour guide) and the cost will be \$20 per person, also payable in advance. A light lunch will be provided.

The Annual meeting of the Thrasher Family Association will be held on Saturday, May 4, in the afternoon in the Athena Room from 3 p.m. to 5 p.m. As usual, the Annual Meeting will provide an opportunity for Thrasher Association members to update the group on ongoing research and projects since we last gathered in Chattanooga. Albert Thrasher will do his Unicoi Al persona as a stagecoach driver on the Unicoi Turnpike, sharing some of the history of the Unicoi Turnpike, a major artery in the mid-1800s, and recently

designated one of the 16 National Millennium Flagship Trails; Bill H. Thrasher will give presentation on "Find -a -Grave" and Jim Moule will talk on the Thrashers in the California Gold Rush.

Saturday night, May 4, Grady will be hosting a screening of his documentary film about the Thrasher Brothers Aerial Circus, "The World's Smallest Airport," at the Ciné Bar Cafe and Cinema in downtown Athens. Our group will gather at 6 p.m. in the Athena Room and proceed from there to Ciné. Grady and his wife, Kathy Prescott, will be our hosts at Ciné and they have graciously offered dinner there for our group. Again, those who want to gather for additional socializing, the Athena Room will be available.

For those "cousins" still around after breakfast Sunday, please let us know if we can help with suggestions or arrangements. If we have a large group that is around on Sunday we will plan to organize some activities.

As mentioned in the last issue, the host committee is working with the local DAR Chapter to see if we can get approval for a grave marking ceremony (similar to what Nancy Cherry arranged at the Maryland Thrasher Reunion) for John Thrasher, Jr. our Revolutionary War ancestor and the progenitor of the Georgia Thrashers (son of John Thrasher and Ruth Cloud). The host committee is pleased to announce that progress has been made in locating the "home place" of John Thrasher, Jr. and a report will be made at the annual meeting Saturday

IMPORTANT: the attached reservation form needs to be returned By April 19 with your payment for the Friday dinner and/or the Saturday tours. And while Grady and Kathy are kindly treating our group on Saturday night, they must have a head count for that as well. Checks should be sent to John Paul Thrasher, 5 Woodridge Place, Newnan, GA 30265. If you have any questions about arrangements, John Paul's e-mail is john.thrasher@numail.org.

Thinking Ahead!

In the days leading up to the 2013 Thrasher Family Reunion, think about ideas for the 2014 reunion and whether you would be willing to volunteer to be the 2014 host.

These events take a lot of planning and work on the part of the volunteer hosts, as those of you who have already hosted one (and in some cases more than one) already know.

The association provides a \$200 dollar stipend to help with expenses, and prior hosts are pretty generous with advice.

Editor's Corner

I'm looking forward to seeing what I hope will be a big crowd of you in Athens. Complete your reservation form and get it in the mail to John Paul as soon as you read this newsletter! One last thing -- my usual heartfelt plea for news of what your latest family happenings are. Sisters Get Together

Dale and Trudy Thrasher hosted a "Sisters' Week" in February for their six daughters. Terrie, Mary, Jo, Patti, Pam and Chris gather annually for a week to (according to their dad) eat, swap recipes, do scrapbooks, chat, exchange pictures and generally enjoy each other's company. Terri, Patti and Pam live in Maryland, Mary and Jo live in North Carolina and Chris lives in Virginia, so this is a welcome chance for face-to-face time. The girls also spent their 2012 week in Florida with their Mom and Dad.

An airdrome in miniature is this wooden platform atop a car; it serves as a landing strip for the Piper Cub flown by the Thrasher Brothers Aerial Circus of Elberton, Ga.

LANDING FIELD ON CAR TOP

By H. H. Hicks

THE old-fashioned barn-stopping days are over but a few streamlined flying circuses are touring the nation to furnish thrills for the aviation enthusiasts of today's air age. Thrasher Bros. Aerial Circus of Elberton, Ga., is one of these modern shows which have forsaken the old daredevil feats for a sensible display of flying skill.

The Thrasher brothers' main claim to fame is in operating the "World's Smallest Airport." This airdrome in miniature is a wood platform built atop a car and serves as a landing strip for a Piper Cub.

Grady Thrasher, 29-year-old flight instructor and operator of Elberton's municipal airport, dreamed up this idea for a "land-based aircraft carrier." He

promptly bought \$36 worth of 2x6 pine planks and hauled them down to a local machine shop. After a little figuring, followed by some cutting and hammering, a platform 8 feet wide and 19½ feet long was produced and mounted atop a car.

This wasn't quite long enough for the whole plane to get on the platform, but he reasoned that the tailwheel by hanging off would lock the Cub from going forward until the proper time. Then he made several test flights and worked out a schedule of procedure and timing.

Now, Grady regards take-offs and landings simply as routine. The car gains a little speed and the tail rises. Then, at about 35 m. p. h., he applies the throttle and takes off. When landing, he approaches and begins a run

over the "World's Smallest Airport," which is cruising at 45 m. p. h. The car slows down and "zippo"—the Cub is on the platform again.

Grady modestly says, "This act is really very simple but the car-to-plane transfer stunt is twice as hard to do."

He is referring to the spectacle in which his brother Richard climbs from the running board of a speeding car to a ladder attached to the plane, which is flying overhead, and up into the plane.

One of the best acts that the brothers have had was billed "The World's Youngest Pilot" and featured Grady's 4-year-old son. In performing this act, Grady climbed out onto the struts while the "youngest pilot," insofar as the spectators could observe, flew the plane.

This proved to be a sensation until Grady's wife vetoed the whole project concerning the boy and that was the end of that.

The brothers are currently putting on shows in southern cities and their circus will have a highly successful season, provided of course, that Grady's wife doesn't put a veto on his participation.

Genealogy of Benjamin Thrasher & his wife, Sarah White Part 2

You may wish to refer to the December 2012 issue of the Thrasher Newsletter to refresh your memory about this genealogy which we are presenting in several parts. This is the second part and includes the genealogy of four of Benjamin and Sarah Thrasher's grandchildren, the children of Randall Benedict Thrasher and his wife Tara Lindsey.

The December 2011 issue of the newsletter included the genealogy of Mary Jane Thrasher, one of the children of Benedict and Tera and the ancestor of our long time TFA member and friend, John Peyton Thrasher.

The four children of Benedict and Tera whose genealogy is found in this issue are: Sabrina Thrasher, Bidy C. Thrasher, Clark Terrel Thrasher & Larkin Thrasher.

If you have researched this large family and have information that has not been included in the printed material, Please share it with me!

John F. Thrasher III

Descendants of Sabrina Thrasher

Generation No. 1

1. SABRINA³ THRASHER (*BENEDICT RANDAL*², *BENJAMIN*¹) was born Abt. 1820 in Georgia, and died Aft. 1880.

Notes for SABRINA THRASHER:

Sabrina was very likely a child of Benedict's first wife, Rebecca Craft.

Sabrina signed on several deeds in Hart County, Georgia as "heir" to Benedict Thrasher along with other known heirs: Clark Terrel Thrasher, Larkin Thrasher, Thomas J. Thrasher, Nancy Thrasher, Mary Jane Thrasher, and Tera Thrasher, widow.

Sabrina is first listed in the 1850 Census, District 32, Franklin County, Georgia. She and her family are living in the house with her aunt, Mary Thrasher Boatright. Five households away is her brother, Larkin Thrasher.

On the 23 of June, 1860, Sabrina is found in the Hartwell District of Hart County. There was no move. The new Hart County was created in 1854 and the Thrashers were in the section of Franklin County now a part of Hart County. She lives between her daughter Harriet (Shoal Creek District) and brother Larkin Thrasher. Since no other records for her aunt and uncle, the Boatrights, have been found, it is believed they died and Sabrina is probably in their old home where she was living in 1850.

In the 4th of July, 1870 Census for Hartwell District, Hart County, Georgia, Sabrina (Savrina) has her daughter Elizabeth C. Thrasher and four of Harriet's children living with her. She lives next door to her daughter, Lucinda, and her husband, Edmond Wells. Daughter, Martha Thrasher and her son Lee Thrasher, live with the Wells.

In the 1880 Census for Reed Creek, Hart County, Georgia, "Briny" Thrasher, mother-in-law, is living with her daughter Lucinda and her second husband, Wallace Bebe. Her occupation: knitting.

Children of SABRINA THRASHER are:

2. i. HARRIET⁴ THRASHER, b. Abt. October 1835, Georgia; d. Aft. 1900.
3. ii. MARTHA E. THRASHER, b. Abt. 1839, Georgia; d. Aft. 1900.
- iii. ELIZA C. THRASHER, b. Abt. 1843, Georgia.

Notes for ELIZA C. THRASHER:

In the 1860 Census for Hart County, Georgia, Elizabeth C. Thrasher is listed as "Idiot".

- iv. SARAH ANN THRASHER, b. Abt. 1844, Georgia.

Notes for SARAH ANN THRASHER:

The 1850 Census for Franklin County, Georgia.

The 1870 Census for Dooley Mil. District, Hart County, Georgia. Sarah Ann is keeping house and has six boarders.

From the Hartwell Sun, 1903 - 1922 : collected. In the Hartwell Public Library, Hart County, Georgia:
"Thrasher, Sarah Ann - (Mrs.) d. 27 May 1908. age 70. Survived by her daughter Mrs. Wm. Vassar" 29 May 1908

4. v. LUCINDA THRASHER, b. Abt. 1847, Franklin County, Georgia.
- vi. MARY THRASHER, b. Abt. 1851, Georgia.

Notes for MARY THRASHER:

Mary is found with her mother, Sabrina Thrasher, in the 1860 Census for Hart County, Georgia.

In the 1870 Census for Dooley Military District, Hart County, Georgia, Mary, age 20, is living with Frances Flemming and her son as a domestic.

(I believe this is the Mary Thrasher who married Henry Rowland in Hart County, Georgia on 14 December 1873.)

- vii. MARTHA THRASHER, b. Abt. 1860, Georgia.

Notes for MARTHA THRASHER:

Although she is listed as a child of Sabrina's, she is likely a granddaughter. Sabrina's daughter, Martha, is

living in the household at age 21. It is unlikely that Sabrina had two daughters named Martha.

Generation No. 2

2. HARRIET⁴ THRASHER (*SABRINA*³, *BENEDICT RANDAL*², *BENJAMIN*¹) was born Abt. October 1835 in Georgia, and died Aft. 1900.

1860 Census for Parker's Store Post Office, Shoal Creek, Hart County, Georgia: Harriet and her first three children.

1880 Census for Shoal Creek, Hart County, Georgia: Harriet and four of her children. Living with them is her sister, Martha Thrasher, and her first two children.

In 1900, Harriet is listed as an inmate in a home in Town, Hart County, Georgia

Harriet keeps house. She can not read or write.

Children of HARRIET THRASHER are:

- i. HENRY A.⁵ THRASHER, b. Abt. 1855, Georgia.

Notes for GEORGE W. THRASHER:

(I believe this is the George Thrasher who married Avena Simpson in Hart County, Georgia on 24 August 1881.)

7. v. JAMES M. THRASHER, b. July 1868, Hart County, Georgia; d. October 18, 1918, Hart County, Georgia.
8. vi. FRANK THRASHER, b. April 1868, Georgia.
- vii. MARTHA "MATTIE" THRASHER, b. Abt. 1872, Georgia.

Notes for MARTHA "MATTIE" THRASHER:

The 1880 Census for Shoal Creek, Hart County, Georgia. She is listed as Mattie.

3. MARTHA E.⁴ THRASHER (*SABRINA*³, *BENEDICT RANDAL*², *BENJAMIN*¹) was born Abt. 1839 in Georgia, and died Aft. 1900.

Notes for MARTHA E. THRASHER:

In the 1850 Census for Franklin County, Georgia, Martha is found with the mother, Sabrina Thrasher.

In the 1860 Census for Hart County, Georgia, Martha is living with her mother, 'Brina Thrasher.

In the 1870 Census for Hartwell, Hart County, Georgia, Martha and her son, Lee Thrasher, are living with her sister and brother in law, Lucinda and Edmond Wells. This census gives her middle initial as an E.

In 1880, Martha and her children are living with her sister Harriet Thrasher in Shoal Creek District, Hart County, Georgia.

In 1900, Martha is in Town, Hart County with her children.

Children of MARTHA E. THRASHER are:

- i. LEE⁵ THRASHER, b. Abt. July 1869.

4. LUCINDA⁴ THRASHER (*SABRINA³, BENEDICT RANDAL², BENJAMIN¹*) was born Abt. 1847 in Franklin County, Georgia. She married (1) EDMOND WELLS. He was born Abt. 1848 in Michigan. She married (2) WALLACE BEBE Abt. 1871. He was born Abt. 1847 in Michigan.

Notes for LUCINDA THRASHER:

The 1870 Census for Hartwell, Hart County, Georgia. Lucinda is living next door to her mother, Sabrina.

The 1880 Census for Reed Creek, Hart County, Georgia. Lucinda seems to have lost her husband, Edmond Wells, and remarried. She is listed as Lucindy Bebe.

Children of LUCINDA THRASHER and WALLACE BEBE are:

- i. DANIEL⁵ BEBE, b. Abt. 1871, Georgia.

Notes for DANIEL BEBE:

Because of his birth date and the death of Edmond Wells and the birth dates for the last two Bebe children, it is quite possible that his father is Edmond Wells, not Wallace Bebe.

- ii. THOMAS BEBE, b. Abt. 1878, Georgia.
- iii. MARY BEBE, b. Abt. August 1879, Georgia.

Generation No. 3

5. JOHN THOMAS⁵ THRASHER (*HARRIET⁴, SABRINA³, BENEDICT RANDAL², BENJAMIN¹*) was born Abt. 1857 in Georgia, and died 1946 in Marshall County, Alabama. He married MARTHA M. (ESKEW) ASKEA February 28, 1878 in Hart County, Georgia. She was born November 1860 in Georgia, and died 1921 in Marshall County, Alabama.

In the 1910 Census for Friendship, Marshall County, Alabama, he is listed as Thomas J. Thrasher with Martha. The overlapping census records indicate the same children even though the first and middle name has been used alternately.

In the 1920 Census for Friendship, Marshall County, Alabama, he is listed as Tom J. Thrasher and Martha as Martha M. Thrasher.

In 1920 a granddaughter is living with him named Amie. She was born in Georgia c 1902.

John can not read or write according to the early census records. He was a farmer. He made the move to Alabama after 1900. In 1920 he owned his own home and was able to read and write.
